What is Abilities Expo?

Connectra Society is hosting their 14th exhibition event connecting people with disabilities with service providers & opportunities. Read more about it below.

Since 2010, Connectra's Abilities Expo has been an opportunity for people with disabilities, their families, caregivers, seniors, and healthcare professionals to learn about local resources and connect with others in the community. The event brings together like-minded organizations and resources that can help inform and enrich health and well-being. The event is about introducing opportunities and discovering what is possible for us all.

The theme for this year's Abilities Expo is *How to Thrive in 2025*. This year's expo will focus on showcasing resources in our community that will help us all thrive as we follow the paths we want for our lives. We will also be celebrating Connectra's 25th anniversary at this year's event.

The Expo features inspirational and informative talks, relevant services/products, interactive activities for kids and adults alike, and employers who promote diversity and inclusion.

Connectra's Abilities Expo: How to Thrive in 2025 will take place on **Monday, June 9th from 10:00 AM - 4:00 PM** at the Roundhouse Community Centre in Vancouver. If you have expertise, products or equipment that support people with disabilities, come join us!
