## What is Abilities Expo?

ConnecTra Society is hosting their 13th exhibition event connecting people with disabilities with service providers & opportunities. Read more about it below.

Since 2010, ConnecTra's Abilities Expo has been an opportunity for people with disabilities, their families, caregivers, seniors, and healthcare professionals to learn about local resources and connect with others in the community. The event brings together like-minded organizations and resources that can help inform and enrich health and well-being. The event is about introducing opportunities and discovering what is possible for us all.

The theme for this year's Abilities Expo is **Curiosity. Creativity. Community**. With COVID-19 taking a particularly large toll on people with disabilities, this long-standing opportunity for social engagement and education is imperative to the health of the community, now more than ever. **Curiosity. Creativity. Community** is focused on showcasing resources in our community to help us all satiate our curiosities with creativity and choose the path we want for our lives.

The Expo features inspirational and informative talks, relevant services/products, interactive activities for kids and adults alike, and employers who promote diversity and inclusion. \*Last year's attendance was approximately 400 people.

**ConnecTra's Abilities Expo: Curiosity. Creativity. Community** will take place on **Wednesday, May 22nd from 10:00 AM - 5:00 PM at Roundhouse Community Centre, in Vancouver**. If you have expertise, products or equipment that support people with disabilities, come join us!

**Please complete the application and email it to: [echambers@connectra.org](mailto:echambers@connectra.org)**
