

ConnecTra's Abilities Expo 2026

CONNECTED FUTURES

Sponsor & Exhibitor Application

WHAT IS ABILITIES EXPO?

On **June 8, 2026**, ConnecTra presents the 15th Abilities Expo, where people with disabilities connect with service providers, programs, and opportunities.

Since 2010, ConnecTra's Abilities Expo has brought together people with disabilities, their families, caregivers, seniors, healthcare professionals, and community organizations to learn about local resources and build meaningful connections. The Expo creates space for collaboration, knowledge-sharing, and discovery—introducing opportunities that support independence, health, and well-being.

Now in its 15th year, the Abilities Expo continues to be a trusted community event that brings together like-minded organizations and service providers committed to accessibility and inclusion. It is a place to learn, connect, and explore what is possible together.

The theme for this year's Abilities Expo is ***Connected Futures***.

This year's expo will be showcasing innovations in various sectors that are improving accessibility for all. To strengthen our communities, we look towards innovative design, accessible technology, and the latest social advancements for a more inclusive society.

***ConnecTra's Abilities Expo: Connected Futures* will take place on Monday, June 8th from 10:00AM – 4:00PM at the Roundhouse Community Centre in Vancouver.**

If you have expertise, products, or equipment that support people with disabilities, we invite you to join us as a sponsor or exhibitor.
